Cats And Lions

All over the world there are cats!
Every cat is a little lion.

A long time ago in Egypt
the cat was a holy animal.

Morrison The Stray Cat

A very shy cat often came to our house.
He was thin and very, very hungry.
We gave him food.

But where did he come from?

Nobody answered the advert
we put in the paper.
So we will never know.

Now he is our big fat cat called Morrison.
We love him very much.

stray cat - hittekatt
shy - skygg, blyg
thin - tunn, mager

food - mat
answered - svarade

Kittens

Everybody loves kittens.
It is easy to say yes and
bring a kitten home.

Kittens grow up into big cats.

Can you take care of a cat
for maybe 15 years?

If so, you will have
a very good friend!

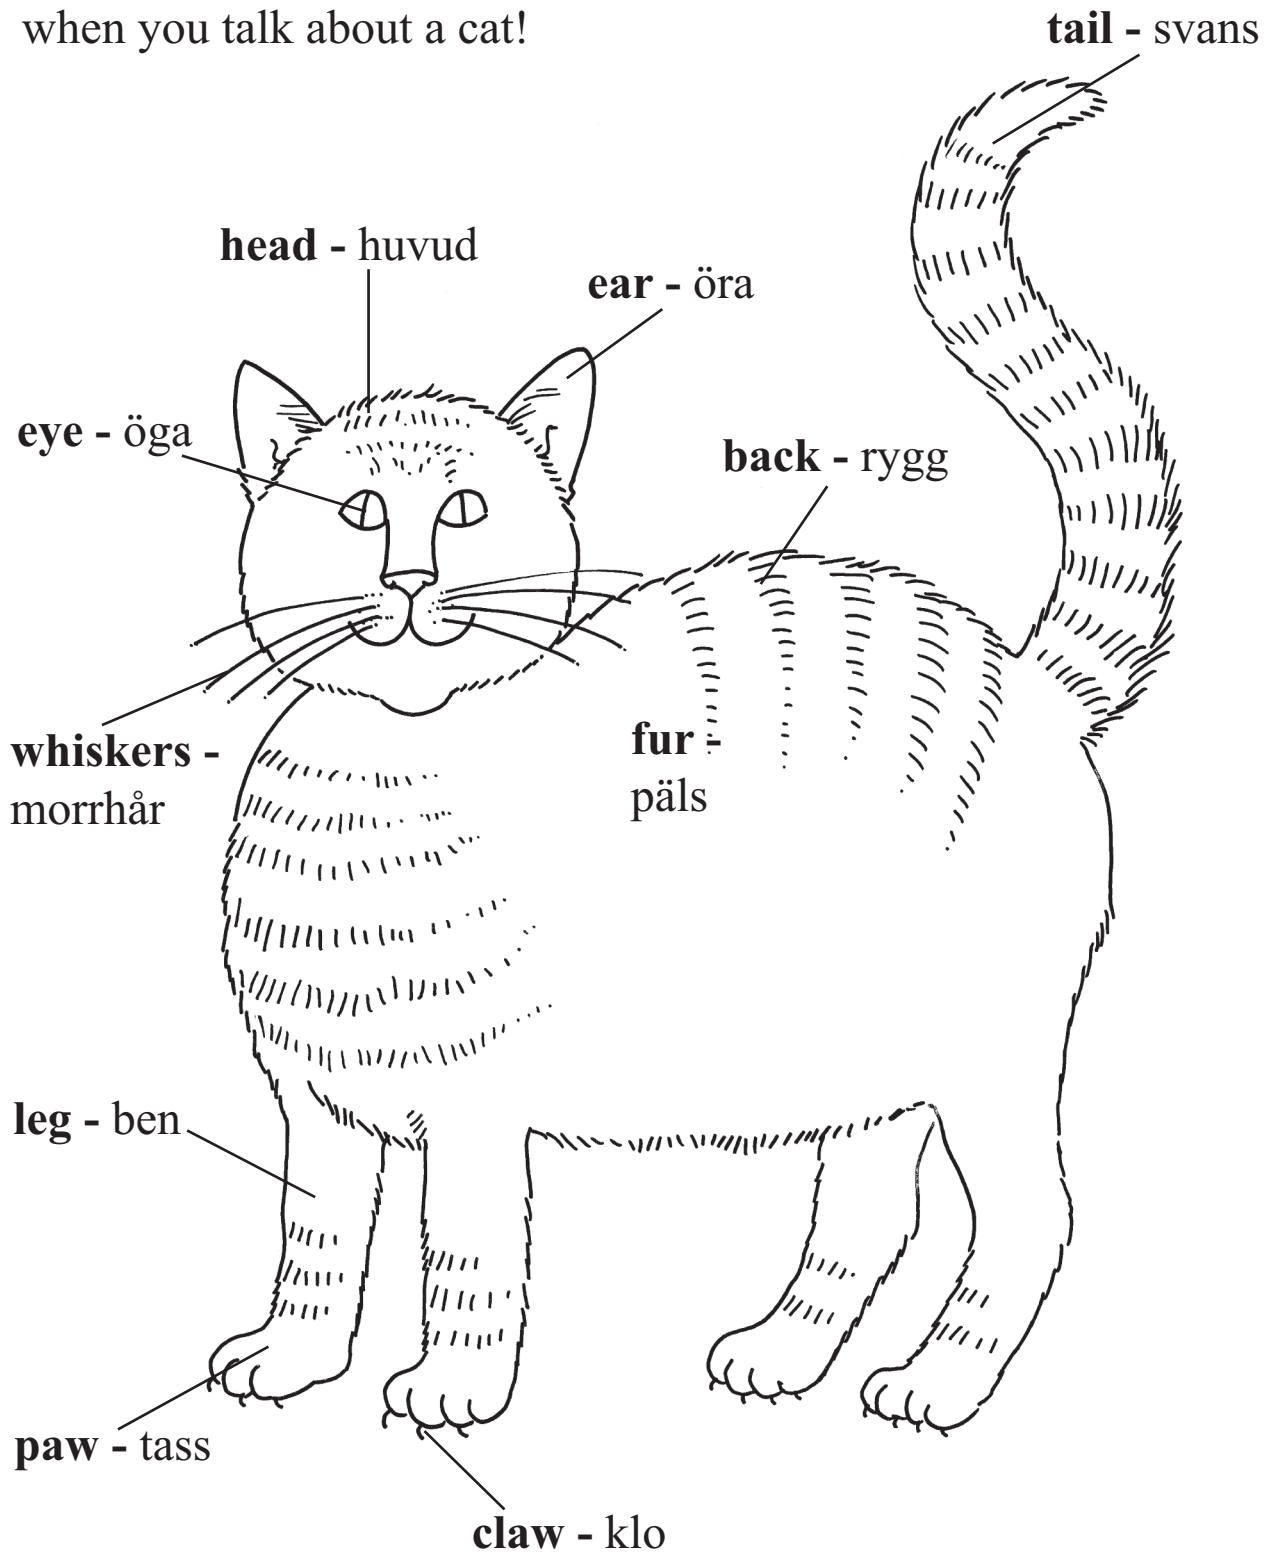

Four brothers

kittens - kattungar
everybody - alla
easy - lätt

grow up - växer upp
take care of - ta hand om
