A worksheet for a counting exercise. It features a large rectangular box divided into two halves by a vertical line. On the left side, there are 12 red heart-shaped tomatoes arranged in three columns. The first column has 4 tomatoes, the second has 2, and the third has 4. To the right of the vertical line is an empty space for drawing. In the bottom left corner of the box, there is a small icon of two hands with arrows pointing towards each other, indicating a drawing area.
